Part 2 – General Information

Part 3 – Associated System Change

Description of Systems Change

This section describes the associated release date, systems environments and other details of the systems change that are directly related to this document change.

Where applicable, this section will also describe the timelines for any overlap between different versions of a particular interface and any testing steps that an MDM/R user may be expected to go through in order to implement the change.

not applicable

Part 4 – Instructions for Providing Feedback:

If this SME_IMDC has been issued for comment (see “Reason for Issue”) you may provide feedback to the IESO in the following manner:

- 1) Please send your comments to: info@smi-ieso.ca
- 2) In the subject-header of your e-mail, please cite the SME_IMDC file number of this document (see front page of this document).
- 3) Your comments may also include your organization’s assessment of the potential costs, time requirements and risks for implementing the proposed changes;
- 4) Please note that any comments submitted may be circulated amongst other stakeholders and other parties at the discretion of the IESO.
